

LOVE CHANGES EVERYTHING

Thank you for your **BIG** heart! Would you consider helping us feed the hungry?

We know that people need food for their bodies to live, but to live fully we also need the Bread of Life and the Living Water of Christ. We serve up both together.

Each lunch bag is full of nutritious and delicious food for the body and soul. Each bag contains a sandwich, fruit, chips, cookie, and water bottle and along with these, encouragement and love from God's Word, offering each recipient a hug from the Divine.

And, we get to pray with them and offer up a listening ear and an open heart – so many of us just need to not feel invisible – will you join us in helping people feel seen, heard, and held today?

Please reach out at [info@lovingpeoplefully.org](mailto:info@lovingpeoplefully.org) and get connected to us so we can tell you about our next opportunity. Thank you!
